DATE MAILED:

Please find below and/or attached an Office communication concerning this application or proceeding.

Commissioner for Patents

The following communication is in response to the correction to the specification where pages 7-11 are missing. Examiner, appreciates the correction. However, applicant has submitted the entire specification, original claims and abstract. The entire submission is incorrect and will not be entered. The submission of the original claims will create confusion at the time of printing of the patent. Examiner requests the applicant submit just the specification without the original claims.

/Srilakshmi K Kumar/
Primary Examiner
